Telephone +91 9444495044

Facsimile Not Applicable.

Electronic mail drmm@psgitech.ac.in

apply(ies) to use the DepreSym and eRisk2023 Task 1 Text Research Collections subject to the following understandings, terms and conditions. These understandings, terms and conditions apply equally to all or to part of the information.

Permitted Uses

1. The information may only be used for research purposes. Portions of the data maybe copyrighted, and may also have commercial value as data, so you must be careful to use it only for research purposes.
2. Summaries, analyses and interpretations of the linguistic properties of the information may be derived and published, provided it is not possible to reconstruct the information from these summaries.
3. You may not try to identify the individuals whose texts are included into this dataset. You may not cross-reference individuals with the dataset against any other dataset or collection of data. You may not try to establish any kind of contact with the individuals of this dataset.
4. You are not permitted to publish any portion of the dataset (e.g. example post) other than summary statistics, or share it with anyone else.
5. We grant you the right to access the collection's content in the manner described in this agreement. You may not otherwise make unauthorized commercial use of, reproduce, prepare derivative works, distribute copies, perform, or publicly display the collection or parts of it.
6. You may present research findings concerning knowledge obtained using the collection provided that the aforementioned presentation is within the limits of this agreement. Any scientific publication derived from the use of this collection should

explicitly refer to:

Pérez, A., Fernández-Pichel, M., Parapar, J., & Losada, D. E. (2023). DepreSym: A Depression Symptom Annotated Corpus and the Role of LLMs as Assessors of Psychological Markers. arXiv preprint arXiv:2308.10758.

F. Crestani, D. Losada, J. Parapar. Early Detection of Mental Health Disorders by Social Media Monitoring. Springer 2022.

7. You shall not use results obtained through the use of the collection for profitable purposes including advertisement and/or defamatory or slanderous purposes.
8. If we or the copyright holders request you to discontinue the use of the collection, or your use of the collection is deemed to be in violation of this agreement, you shall immediately discontinue use of the collection and promptly delete the collection and all data obtained by processing it from any computer or media onto which it has been copied.

Copyright

1. The copyright holders retain ownership and reserve all rights pertaining to the use and distribution of the information.
2. Except as specifically permitted above and as necessary to use and maintain the integrity of the information on computers; the display, reproduction, transmission, distribution or publication of the information is strictly prohibited. Violations of the copyright restrictions on the information may result in legal liability.
3. Copyright holders of the information contained in the collection include a wide variety of online Internet users.
